

# *Delta Beta Chapter of Gamma Sigma Epsilon a National Chemistry Honorary Society*

*GSE is accepting applications for new members.*

## **Eligibility requirements:**

- Be a chemistry major or minor or chemical engineering major who has completed 14 hours of chemistry courses by the end of this semester, and has a GPA of 3.3 or higher for both chemistry courses and overall.
- **Or**, be a current or rising senior chemistry major (i.e. graduating by spring 2018) whose academic record in chemistry is satisfactory for the preceding year and who has made a significant contribution to the department (for example, research), but whose overall scholastic average is below that required for membership.

## **Application:**

Applications are available from the main chemistry office (2004 SHLB) or from the GSE web site (see URL below). Applications must be submitted by **Fri. February 10<sup>th</sup>, 2017.**

## **Initiation Fee:**

Inducted members will pay a one time \$50 fee (\$40 national lifetime induction fee, \$10 local dues). Dues of \$10/year are required for members to remain active.
