

## FORM FOR SELECTION OF RESEARCH ADVISOR (2016)

As a new graduate student, you must attend the faculty research presentations at the beginning of the Fall Semester and hold in depth interviews with at least four (4) faculty members of your choice. Please have these faculty members initial this form when they meet with you. After the final research presentation and faculty interviews, you should indicate your top picks (1, 2, 3) and your major area.
